PENSHURST C.E. PRIMARY SCHOOL

A very warm welcome back to all our families as we begin the second term of the school year. We hope you have enjoyed a restful break and that the children are looking forward to all that the new term has to offer. It promises to be a busy and exciting term, with lots happening across the school in the lead up to Christmas.

Our Nativity and Carol Service in the church will take place on Thursday December 17th at 2:15. One important point to note is that this year we will be holding **one service for the whole school, with every class taking part in the same service**.

Your children may also have shared with you some changes to our lunchtime arrangements, which have given the children more opportunities to enjoy outdoor play. With this comes the need to be prepared for the weather and, in particular, muddy conditions! Please ensure children come to school with coats, a spare pair of joggers and suitable footwear, especially if they would like to make the most of playing on the field. We want everyone to enjoy their lunchtime adventures, whatever the weather, while staying warm, dry and comfortable.

Our Curriculum booklets are sent out every half term The aim of these booklets is to share information for upcoming curriculum learning and any reminders, dates or events coming up in class during the half term. We hope you find them useful.

This week, children from Beech Class had the fantastic opportunity to take part in the Sevenoaks Partnership Boccia Event. A huge well done to Annie, Ffion, Parker and Rocky for their brilliant efforts, positive attitudes and excellent sportsmanship throughout the event. You represented our school wonderfully, and we are incredibly proud of you all!
