

# PENSHURST C.E. PRIMARY SCHOOL

## Dear parents

### THIS WEEK'S NEWS

Dear Parents,  
I hope this newsletter finds you well; Spring seems to be arriving which is very welcome after the awful rainy weather we've had. The past two weeks have been action packed – lots of great things happening in school and our community.

This week Kushi has joined Oak Class and I would like to extend a warm welcome to her and her family.

Many thanks to everyone involved in our World Book Day events – at Penshurst we try and extend this beyond one day – so that the children really are able to build their love of books and reading. The children really enjoy the workshops and activities that we create for the week. Thank you to Mrs Foy for organising the week's events. Thank you to my staff for giving their all to make it fun and memorable and to PTFA for coming along and supporting us – a great school community event. Finally thank you to you all for supporting your child to come along as a book character – I know costume making can create a little bit of anxiety for parents! Well done to everyone – the children looked amazing.

Enjoy your weekend,

**Sue Elliott,**  
Headteacher.

## STARS OF THE WEEK
