

PENSHURST C.E. PRIMARY SCHOOL

Dear parents

THIS WEEK'S NEWS

Dear Parents,

A short newsletter this week – to show case our Stars of the Week , the sporting endeavours of our cross country runners and a enrichment trip to Sevenoaks.

Another busy term has come to an end – I hope you have an enjoyable break - the weather looks like it is going to be on our side – hopefully you will get time to enjoy the sun and be outside.

Term 6 is always a busy one with lots of great events for the children to participate in – I look forward to welcoming you back on Monday 1st June. Check the school's website for diary dates and events.

With my very best wishes,
Sue Elliott, Headteacher.

Maple and Elm Class
Sevenoaks Wildlife Reserve

Pupils from Elm and Maple Class Enjoyed a day at Sevenoaks Wildlife Reserve. The trip was linked to their work in science. Many thanks to the PTFA who help fund our enrichment opportunities across the school.

Cross Country

Well done to the pupils who took part in this week's cross country event at Hever. This was a real team effort and I am pleased to report that

we came second overall – a fantastic achievement for our small school. More than one person has told me how well the team did and in particular how great they are at supporting each other.

We had some individual successes too - we have some great runners.

You may know that I am a keen runner myself and know that it can not only support physical wellbeing and fitness but running also has mental health benefits. So I am really pleased that our pupils also share in my enthusiasm for all things running.

I am looking forward to next term when we are hosting our first Cross Country event at Penshurst Cricket Club on 8th June 2026.

Stars of the Week

Maple Class: Reception & Year 1

Rafe : for putting in so much effort in class 'drawing club' with wonderful vocabulary and illustrations

Elm Class : Year 2

Njal: for making such a sustained effort with his independent writing.

Beech Class Year 3

Annie: for wonderful newspaper report and making sure it linked to her plan

Beech Class Year 4

Tabby : for demonstrating maturity in her learning and always making such a great effort.

Oak Class Year 5

Max: for his positive attitude and dedication to learning

Oak Class Year 6

Sammy : for showing fantastic hockey skills

Well done to them all.
