Penshurst CE Primary School PSHE Curriculum

Key areas

We have categorised our lessons into the five key areas below, which we return to in each year group, making pupil's prior and future learning clear and shows how what you are teaching fits into their wider learning journey. Year 6 also have a further key area: Identity.

Family and relationships	Health and wellbeing	Safety and the changing body	Citizenship	Economic wellbeing
Learning how to: form respectful relationships with others, deal with conflict and bullying and the importance of challenging stereotypes.	Learning strategies for looking after their mental and physical health, including: healthy eating, relaxation techniques, sun safety, immunisation facts and the benefits of sleep.	Learning: how to administer first aid in a variety of situations and about safety around medicines, online and road safety and the changes which occur during puberty.	Learning about: human rights and the rights of the child, democracy, diversity and community and protecting the environment.	Learning how to make decisions when it comes to spending, budgeting and saving money and exploring different career choices.

Year 6 only:

Identity
Considering what makes us who we are whilst learning about body image.

How Kapow Primary can help with mixed-age teaching

At Kapow Primary, we know the unique challenges that come with working in a mixed-age class: sometimes trying to meet different learning objectives for different year groups and dealing with an even wider range of abilities than you would in a single year group.

For RSE and PSHE, consideration must also be given to the emotional maturity of the children in your class and the appropriate age to introduce topics such as puberty.

Kapow primary have created a mixed-age scheme of work that can help you with all these challenges. We have worked with specialists in RSE and PSHE and in mixed-age teaching to produce a mixed-age scheme aimed at teaching Y1/2, Y3/4, Y5/6.

We have organised our existing content into a two-year cycle, often adding increased differentiation to help you support and extend all pupils, even with the wider-range of abilities that mixed-age teaching brings.

In some areas, though, we felt that it was important that pupils had the opportunity to develop their understanding **each year**, rather than once in a two-year period, so the lessons have been rewritten, with clear guidance, activities, differentiation and assessment information for each year group. In these instances, teachers teach the same lesson each year, but pupils will have a different experience in the lesson depending on whether they are the younger or older cohort.

This means that even with a two-year cycle, you can be reassured that your pupils are progressing year-on-year as they develop in emotional maturity.
